

Batshaw Youth and Family Centres Foundation
Helping break the cycle of neglect, abuse and failure

When public funds are not available, the Foundation provides support to the children and youth served by the Batshaw Youth and Family Centres which provides services to children and families in situations of sexual and physical abuse, neglect, serious behaviour problems and delinquency. The Batshaw Foundation provides assistance to children and youth living with their own families, in foster care, residential placement and independent living. All donations received are used for the direct benefit of youth and their families.
